As we Seniors close out our final year of high school, we consider the fact that maybe, just maybe, high school wasn't all that bad. The pressures of the "outside" adult world didn't concern us, and now, suddenly, they will be thrust upon us. We will no longer expect to be considered as teenagers; we will expect and demand that we be considered adults. That one year difference may seem insignificant now to the underclassmen (and some Seniors), but it will mark one of the most important changes in our life.

We began our high school years in the Junior High almost without realizing it. Our "world" consisted of dodging apples that were being thrown in the auditorium while trying to look like bigshots in front of the seventh and eighth graders. We didn't know or really care about the upcoming Bicentennial; we only knew that school was getting harder, and yet, we only had three more years to go.

The next year our illusions of supremecy were quickly shattered, and some of us realized we still had a lot of growing up to do. We were somewhat awed by our new teachers and responsibilities. Different friendships began to develop between students and teachers as we searched for someone to help us adjust to this new environment called the Senior High. And still the outside world seemed a distant entity.

As the 1978-1979 school year began, the world suddenly took a giant step forward. This, our Junior year, was supposed to be the hardest yet most important year of high school. The PSATs greeted us early in the year, and, instantly, college life was just around the corner. An air of maturity began to surround us. We weren't just dealing with Tomorrow anymore; we were dealing with a lifetime.

The Spring of the same year was highlighted (?) by the Junior Prom, and, soon afterwards, the final exams. Some of the exams were easier than expected, some were harder. Either way, we all breathed a sigh of relief when they were over.

And now here it is: our last year of high school. The incessant complaining over rules continues, but, after all, they are a part of life and we must learn to abide by them. Friendships have come and gone on our road to becoming individuals. Our decisions on work and/or college have been decided. The outside world is part of us now, and we a part of it. As the year concludes, most of us will recall the past four years with both a smile and a tear. We vow to keep in touch with our present friends throughout life, knowing that most of them will become but faded memories.

In conclusion, I want to thank the faculty and administration of South High for doing their best to make us grow up, even when we didn't want to. And to all my classmates I want to express my sincere wish for success and happiness in whatever life has in store for them.

IN APPRECIATION . . . . A. MORTON RAYCH

HERE COME THE BULLDOGS A. Morton Raych

May I take this opportunity to extend my appreciation to Mr. Mort Raych upon his retirment. He has served South Glens Falls youth many years and, as a community, we are better for it.

It would be impossible to list his many volunteer contributions, but I would like to join all of those individuals who have gained from his service in thanking him for a job well done.

Mr. Clarence Pelkie

Perhaps no one can fully appreciate and express gratitude for the dimensions of Mort Raych's countless and varied contributions to our school and community. It has been my unique good fortune to be his friend and colleague for over twenty years. We salute the quality and character of his service and achievements and extend sincere best wishes for an abundantly happy and healthy future.

Mr. William B. Wetherbee

As the past thirty-two years come to the close of A. Morton Raych's career as a member of the Art Department at South High, we, the students, will always remember hearing his "Here come the Bulldogs" echoing across a playing field. Mort Raych was actively involved with football, basketball, and wrestling, adding his support to our teams.

The majority of his time was spent in the area of Art acting both as teacher and director. He taught many different courses but managed to devote a great deal of time to each individual student. We appreciate all he has done for us and we will regret losing him.

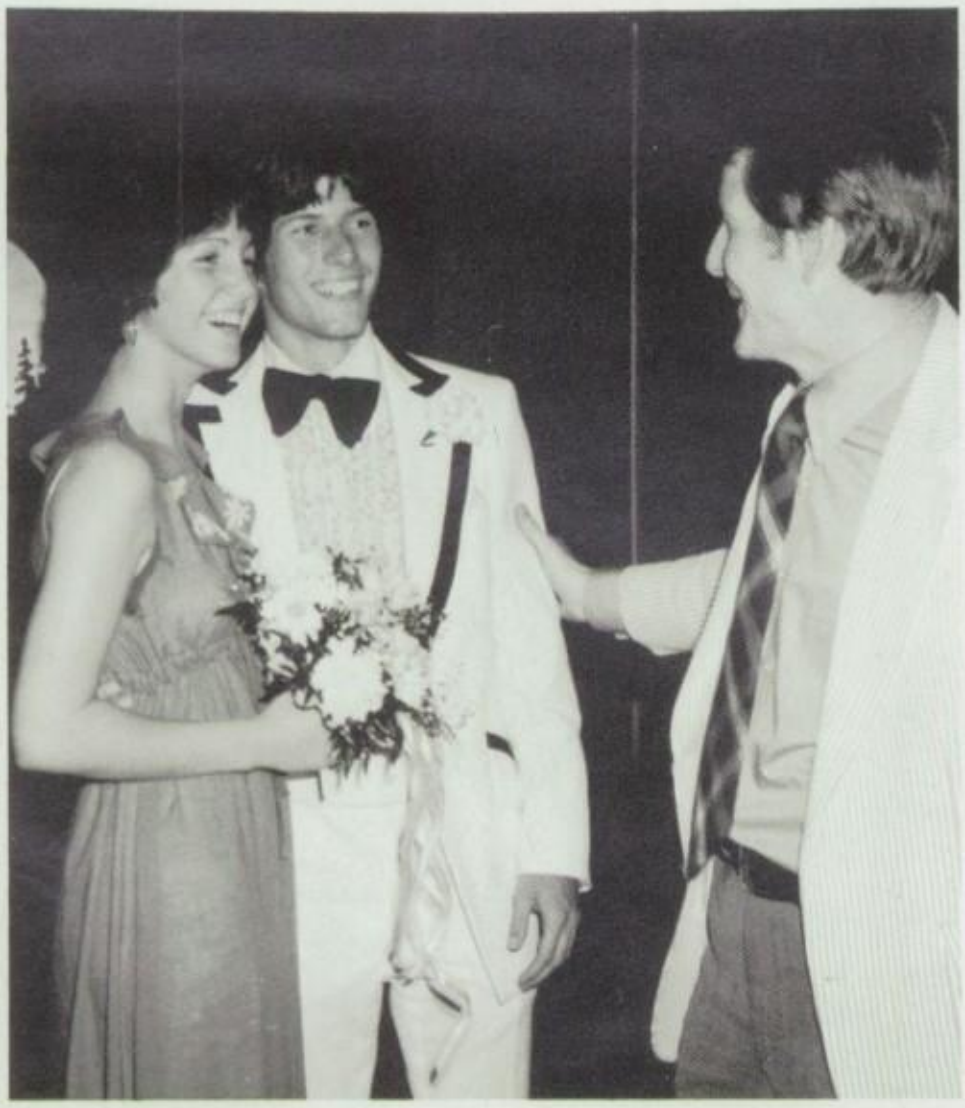
We, the Senior Class of 1980, proudly dedicate this year's yearbook to *Richard Durling*. A graduate of Saint Mary's Academy of Glens Falls and the Wenona School of Photography, Mr. Durling has become a familiar face to the students of South High. No matter how nervous we feel in front of a camera, the knowledge of Mr. Durling's photographic ability, along with his sense of humor, always makes us feel right at ease.



Mr. Durling's generousity toward the students of South High has been unbounded. Either at football games, proms, or other activities, he has contributed endless hours of his time for the students. For this, his unceasing willingness to give his time and energy, along with his sincere kindness, we, the Senior Class of 1980 say to you, Mr. Durling thanks.

Cindy,
You're a real superperson & a hell raiser never forget all our beer times in good Study Hall. I'll see you over the summer at SPAC. Keep cool (I know you will) & party up!

The *Prom* night itself was a very beautiful night. The gym was transformed into a veritable oasis. Blue and yellow streamers and assorted colored flowers adorned the room. Everyone was dressed elegantly and we danced to the music of "The Revelations". The theme of the prom was "We've Got Tonight" and was certainly a night all of us will never forget.

One of the most active and highly productive organizations in the school is *Student Council.* The purpose of Student Council is to promote spirit and student participation in school events.

This year saw several successful events including the marathon dance and homecoming weekend.

Homecoming, whose purpose was to lend support to our football team in its quest for its first winning season in several years, included a pep rally, a boxing match between the Bulldog and Scotty, a hall decorating contest between the classes, the crowning of the 1979 Homecoming queen, Amy Durling, a powder puff football game in which the mighty Bulldogs' girls proved victorious, and was topped off by a victory dance featuring "Target".

The other big event of the year was the highly successful marathon dance. This dance was the true test of many people for their determination, dedication and endurance. Couples danced for an incredible 26 hours raising money to support the Moreau Emergency Squad. Funds raised through this event accounted for nearly ½ of the squad's entire annual budget.

Representatives of our student council attended School Board meetings to convey the messages of our student body. They also represented our school in a state wide conference in Albany, in an ever lasting attempt to better student rights and privileges in our school.

During the spring of 1979, AKT with the aid of Art Merrill, director, performed a drama, "The Late Great Me" which depicted a teenage alcoholic. Geri Peters (Sandra Dumas) was an average teenage girl who started drinking due to the persuasion of her boyfriend Dave (Skip Smaldone). Geri's drinking got out of control, and she couldn't stop it. She alienated her old friends and took on new ones whose favorite pass-time was drinking. Though Geri's parents, George and Ginger Peters, (Gary Pullen and Lucy Herbert) were blind to the changes in their daughter, her brother, Jack (Rob Choppa) saw everything. At the conclusion of the drama, Geri agreed to go to Alcoholics Anonymous.

AKT took "The Late Great Me" to the Glens Falls Operetta Club Play Competition last spring. The result was their nomination for four awards. Sandra Dumas was nominated for best actress and Vicki Crossman (Dave's alcoholic mother) for best supporting actress. Mike Usher (the high school principal) and Gary Pullen (Geri's father) were both nominated for best supporting actors.

BUSINESS CLUB

Seated: M. South, Vice-President; C. LaPierre, President; S. LaFountaine, Recording Secretary; Standing: T. Nichols, Treasurer; T. Hodgson, Parliamentarian.

Business Club got off to a booming start with its second annual Toy Fair, sponsored by Toys 'R' Joy. An estimated one thousand people attended the fair, held at the Civic Center. Through its Toy Fair ticket sales and gift sales, Business Club made enough money to go on another overnight trip, chaperoned, of course, by its advisors, Miss Whyland and Miss Abbott.

Its 1980 officers are; President, Christine LaPierre; Vice President, Margaret South; Recording Secretary, Stephanie LaFontaine; Corresponding Secretary, Peggy Carpenter; Treasurer, Ttrone Nichols; Historian, Sue Spellman; Parlimentarian, Traci Hodgson.

Other activities in which Business Clubs' ninety-two members participate include: skating, pizza parties, hayrides, bowling, and just plain fun.

Business Club is a community-service oriented club. Each year at Christmas they sponsor needy families in the area, buying them presents and labeling them from Santa. They also send food along with the presents.

Aside from its fun and games, Business Club teaches its members business practices and helps them to take their first step in the business world.

Why not give business club a try, it may brighten your year.

Among its school performances are the spring and christmas concerts. Directed by Robert Lyke, the students compete for honors of all-county area all-state band. Keep up with the good playing!

"Hey Chris, you've got a run in your stockings!"
There's not many places where you could hear something like that, one place, however, is the halls of South High during the week of the Varsity Club initiation. Along with the guys wearing dresses, you will also see some of our brave Juniors and Seniors wearing their cute little p.j.'s. Another main attraction is in the cafeteria where you might by chance see a little "round-up" on the range.

Not all of South High is off the deep end, however, . . . the Varsity Club may be. After the week of initiation, you can still see our Varsity Club at many school activities selling coke (in plain clothes however). The money made by these guys are donated to various organization throughout the school that are in need of financial help. Thanks a million guys, and keep up the good work.

IN MEMORIAM

MICHAEL W. KAY
July 29, 1962-November 20, 1977

"How do we become true and good, happy and genuine, joyful and free? Never by magic, never by chance, never by sitting and waiting, but only be getting in touch with good, true, happy, genuine human beings, only by seeking the company of the strong and the free, only by catching spontaneity and freedom from those who are themselves spontaneous and free."
-Charles Malik

Michael Kay

Michael was a true friend
One to stick by you,
Those who didn't get to
know him
Missed a memorable friendship.

I will always remember him
For what he was
Wild, determined, creative ---
Most of all —
a true friend.

Phil Bacon

Mike was a good kid. He had a great sense of humor. Plus he was a great cross country runner and student.
Steve Weeks

Mike Kay is a person who will not be forgotten by many people. He was a best friend to many of us, and an inspiration to the cross country team.
Dave White

Even though he is gone, Mike Kay's memory lives on. He was always fun and good to be around. I will always remember him.
Gary Primeau

To the Class of 1980

May your trip along life's paths be filled with happiness, vitality and compassion. Since you began twelve long years ago, you have had to endure many changes in our society. There have been times when the very foundation of our democratic process has been put to the test. On other occasions, you have seen gas lines, rebellion against social practices, inflation, shortages, accountability, the rise of the Middle East, Watergate, three different Presidents, Viet Nam, Three Mile Island and countless other pressures.

Yet, as a class in our society, you have been able to exhibit many positive characteristics. Your ability to work for your school, your humor and your adaptability to adjust to change have always given me the feeling that you are ready to take your place in a complex environment. My hope is that your years at South High have contributed to your growth both intellectually and socially.

Best of luck on your journey.

HISTORY

This year's students saw the greatest world crisis since WW II. Iran, with its quest for a Moslem government, confronted the United States. The taking of American hostages caused great pressure on the United States' position in World Affairs.

Besides Iran, the Democratic Party was faced with a challenge to its incumbent President. Challenger Senator Kennedy broke with the norm and chose to run a campaign against President Carter.

The economy continued to be a pressing question for students. The rate of inflation continued to rise with the increase of unemployment. As other key indicators moved, (ie gold prices, GNP) students contemplated the seriousness of inflation.

The outcome of these situations will have far-reaching dimensions. These problems are faced by the History Department and its students daily. The Department offers much preparation for its students in dealing with these world affairs.

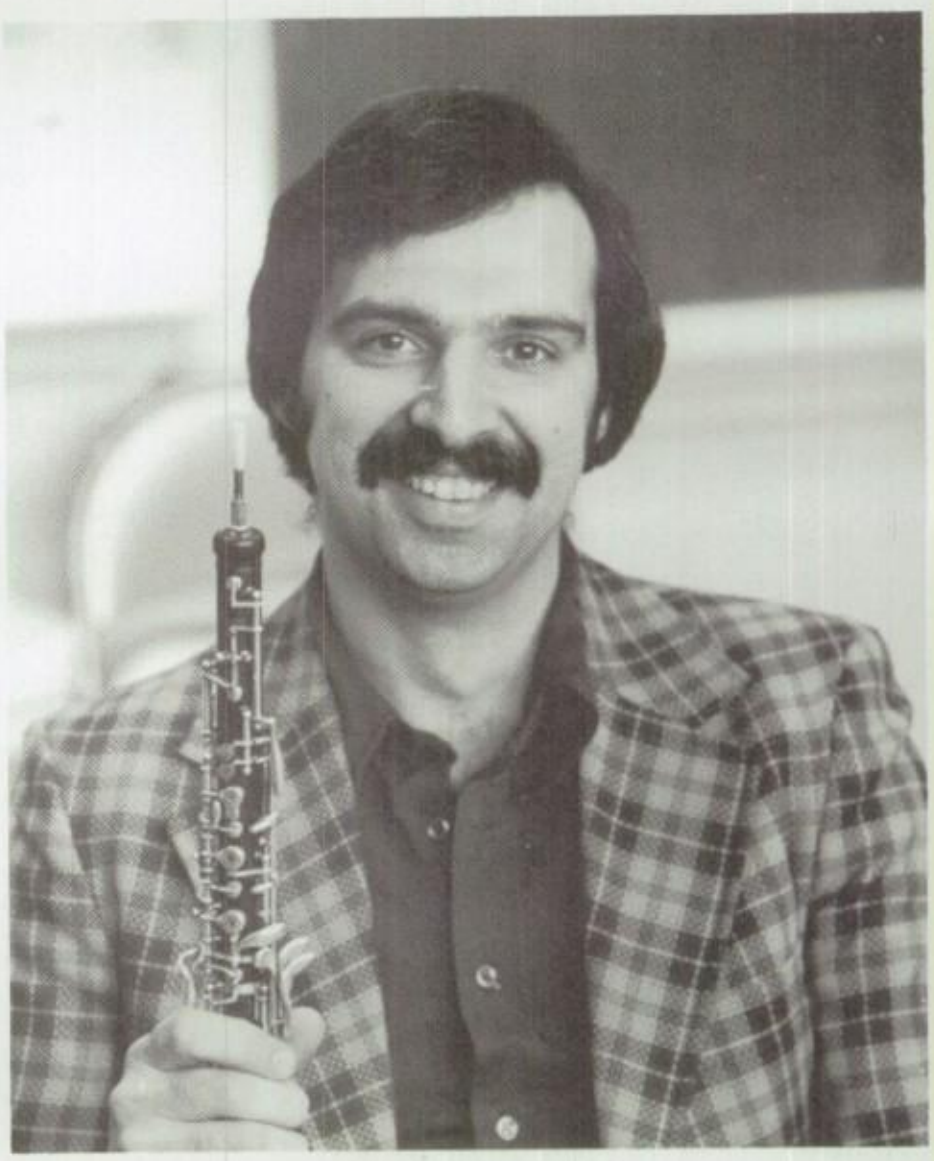
The deafening crash of cymbols, the melodious sounds of strings and the forté sounds of brass-all these are found in South High's *MUSIC* department. Vocal and instrumental groups perform various types of music ranging from baroque to contemporary. There is a string group, choral ensemble, concert band and jazz band. Group instruction, as well as private instruction, are also avialable. Concerts are held in the winter and spring. Music students work many days to prepare for these programs. Perhaps the most difficult of the performances is the combining of two or more musical groups to produce an excellent repertoire. All in all, South High's music students enjoy a challenging, exciting and rewarding year.



SCOTT SHEVY: Choir, Woodwind Instruction.

Communication ... it's a necessity economically and politically, in today's world. That is why South High offers its students foreign languages such as *French, German* and *Latin.*

French students, under the direction of Mrs. Pattison, learn not only French grammar but also present conversational oral presentations. In addition, novels, short story articles, regional provinces in France as well as French history are presented in various forms. Aids such as films, books and magazines assist students in understanding the French culture.

Classes in *German,* under the direction of Mrs. Fish, learn not only German history, but must be skilled in German grammar and oral speaking. Advertisements, cartoons and novels are many of the diverse activities found in German classes.

Latin students, taught by Mrs. Grey, learn the fundamentals of the English language. Proficient translation and written reports are required of students. Advanced Latin students may have the opportunity to study Cicero. Students translate and evaluate his writings.

In conclusion, language study at South High is beneficial, rewarding and challenging.

BOY'S AND GIRL'S STATE

Ginny Manz, Gary Pullen, Not Photographed; Jim Prutsman.

Boy's State is a program sponsored by the American Legion. Each year, every high school in the state chooses one or two representatives to send to Morrisville College. During the week the boys are there, they gain a better understanding of how their government works. Party caucus and party conventions help develop this understanding. The legislators that are elected make laws that are actually sent to Albany for review.

The purpose of Boy's State is to ready young men for their future in government. This is accomplished through actual participation.

MATH TEAM

The *Math Team* under the direction of Mrs. Cameron Tessier, has been an excellent example of South High's math students. Competitions are held at area schools in which each team solves math problems made up by the Long Island Math League.

After a dismal two and six record last year, this year BULLDOGS won six out of their eight outings, falling to defeat only twice. With the combined efforts of coaches Larry Harland, Mike Sharrow, and Joe Iuliano, South High dominated the foothills council falling a half game short of first place. With Brian Daniels snapping center for rookie quarterback Paul Dufford, along with Larry Chapman (a foothills all star), Tim Stewart, Mike Chppa, Chris Butterfield, Mike Alden, Brian Dixon and T.D. Fitzgerald, the Bulldogs offensive front line overpowered their opposition.

The backfield, consisting of three talented players, reflected South High's overpowering dominance. With Greg Helwig's reliable blocking along with the coach's cunning calls, backs Richard White and Mike Steele had their jobs cut out for them. Fullback Richard White, another council all star, muscled his way through the crafty Mike Steele. Steele, another foothills standout, dazzled his opponents with his rabbit-like speed and his illusive body fakes. With a score of talented underclassmen, headed by B. Vishneowski, Jeff Powers, Mark Armstrong and Jeff Williams, next years season looks very successful.

The Golf team, coached by Ron Lennox, had another tough year winning only three matches out of eighteen. The number one man, Jim Tedesco, just finished his fourth and final year as a Golf team member. He played consistantly, getting the second most individual wins this year. The number two man, Scott Langworthy, achieved the most individual wins for his team. The number three man, Randy Perrotte, had a personal low this year with a 4 over par 39 in one of his matches. The number four man, Kris Whalley, won some tough matches throughout the season and is showing alot of promise for next year. Team member, Mike Slezak, also had a fine season with alot of tough competition and the best year in his four years as a member. Graduating seniors are: Jim Tedesco, Scott Langworthy, Mike Slezak, and Gordon Woodworth. With its remaining members returning next year, they hope to build a strong nucleus for the 1980 season.

This year's Cross Country team, coached by Steve Hoover, didn't fair too well against Foothill rivals. Although it wasn't one of their better years, every runner gave their best to each individual meet. Their top performer, Mark Lane, had a strong season placing within the top ten at almost every race. Graduating seniors are: Randy Glazebrook, and Steve Weeks. Next year they hope to do much better and are looking forward to a fine turnout.

Whaling on to its seventh consecutive Foothills Council Championship, the 1979 *Varsity Soccer Team* rampaged through the league with an impressive 10-1-1 record and an incredible overall slate of 16-3-2.

The Bulldogs set two school records this year, winning 16 games, and posting an amazing 10 defensive shutouts. The team's success was due to its overall excellence. Boasting one of the most potent offenses in the league, averaging 3.5 goals per game, and the stingiest defense (which allowed a mere .66 goals per game) the Bulldogs were almost unbeatable.

The team also won the Section II AA title, the first ever for a South High team, by defeating arch-rival Hudson Falls by a score of 2-1. This marked the third victory over Hudson Falls by the Bulldogs.

The Bulldogs were well represented on the Foothills Council All-Star team, placing three players on the first team and three players on the second. First team honors went to senior Don Bell, and to juniors Dan Perrilat and Jim Davis. Second team honors were received by juniors Billy Hayes, Rick Potter, and Brian Havens.

The 1980 season should be a just one, with 17 returning players, including 9 starters.

FIELD HOCKEY

The 1979 edition of the South High Field Hockey team finished the season with a 6-6 overall slate and a 4-6 league slate that was good for a fifth place finish. The loss of thirteen seniors from last year's squad caused this year's efforts to be concentrated mainly on rebuilding for future seasons which look bright.

The Junior Varsity team led the Foothills Council with an impressive 9-1 record and an overall finish of 11-1.

JUNIOR VARSITY: Row 1: H. Whorf, K. Ross, K. Sassone, E. Spellman, D. Bovair, J. Perry. Row 2: K. Weeks, J. Leonbruno, M. Washburn, A. Francis, L. Healy, D. Havens, R. Jenkins, Miss Springer.

Row 1: M. Killian, J. VanSleet, M. Cronkhite, J. Francis, C. Farrington. Row 2: C. Stephen, L. Forth, B. Hart, L. O'Donnell, D. Borovsky, V. Teresko.

"We've got the spirit, yes we do. We've got the spirit, how about you?" Cheerleading takes much time and dedication. During the Fall season, the cheerleaders are kept busy by cheering for both football and soccer. The winter season is a little less pressured, but still involves at least two basketball games a week.

Besides cheering the cheerleaders make the many posters around school, they make the hoops that the teams BURST through and also decorate for the sports banquets.

South High's cheerleaders are directed by Mrs. Jean Steffen. Her creativity and enthusiasm have lead our cheerleaders to be recognized as one of the finest squads in our council.

JUNIOR VARSITY: Row 1; Tom Vishneoski, Vince Green, Coach Mike Nolan, Rick Potter, Jeff Toney. *Row 2;* Bill Carruthers, Bob Graves, Tom White, Dave Clough, Todd Grace, Jim Porter, Jeff Chapman.

This year our Varsity Basketball Team ended up with a winning record of 10-9. For Coach Sharrow, the key to their outstanding year was due to dedication, aggressive defense, a solid offense, and unselfish play on the court. One of the major attributions to the teams's overall attitude was the fan's response to the team's dedication and winning spirit. With combined effort by Rich White, Jim Prutsman, Jeff and Greg Helwig, and Bob Vishneoski, the team produced a seasoned assault on South's opponents. Coach Sharrow expects a fine turnout for next year's Basketball season.

Closing out the year with a 7-5 record, South High's Varsity volleyball team demonstrated once again that they play a quality ball game. Supported by only one senior, Cathi Healy, the team relied heavily on its junior and sophomore members, and the only freshman on the team, Mary Donohue.

With five starters returning next year, South High anticipates an exciting season under the direction of Miss Jones.

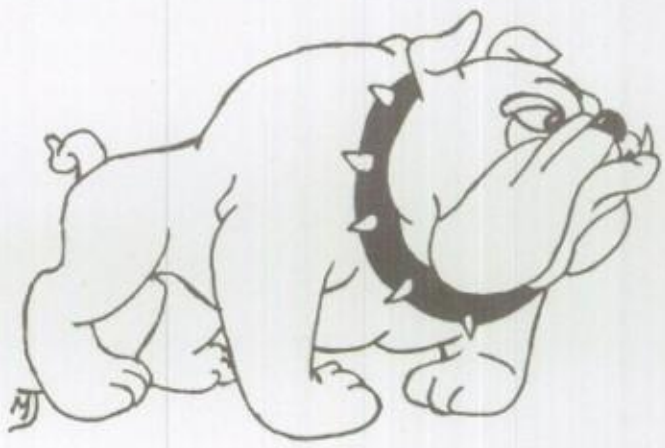
The Junior Varsity had an outstanding season, winning eleven games and losing one to Hudson Falls in a tough three-game match.

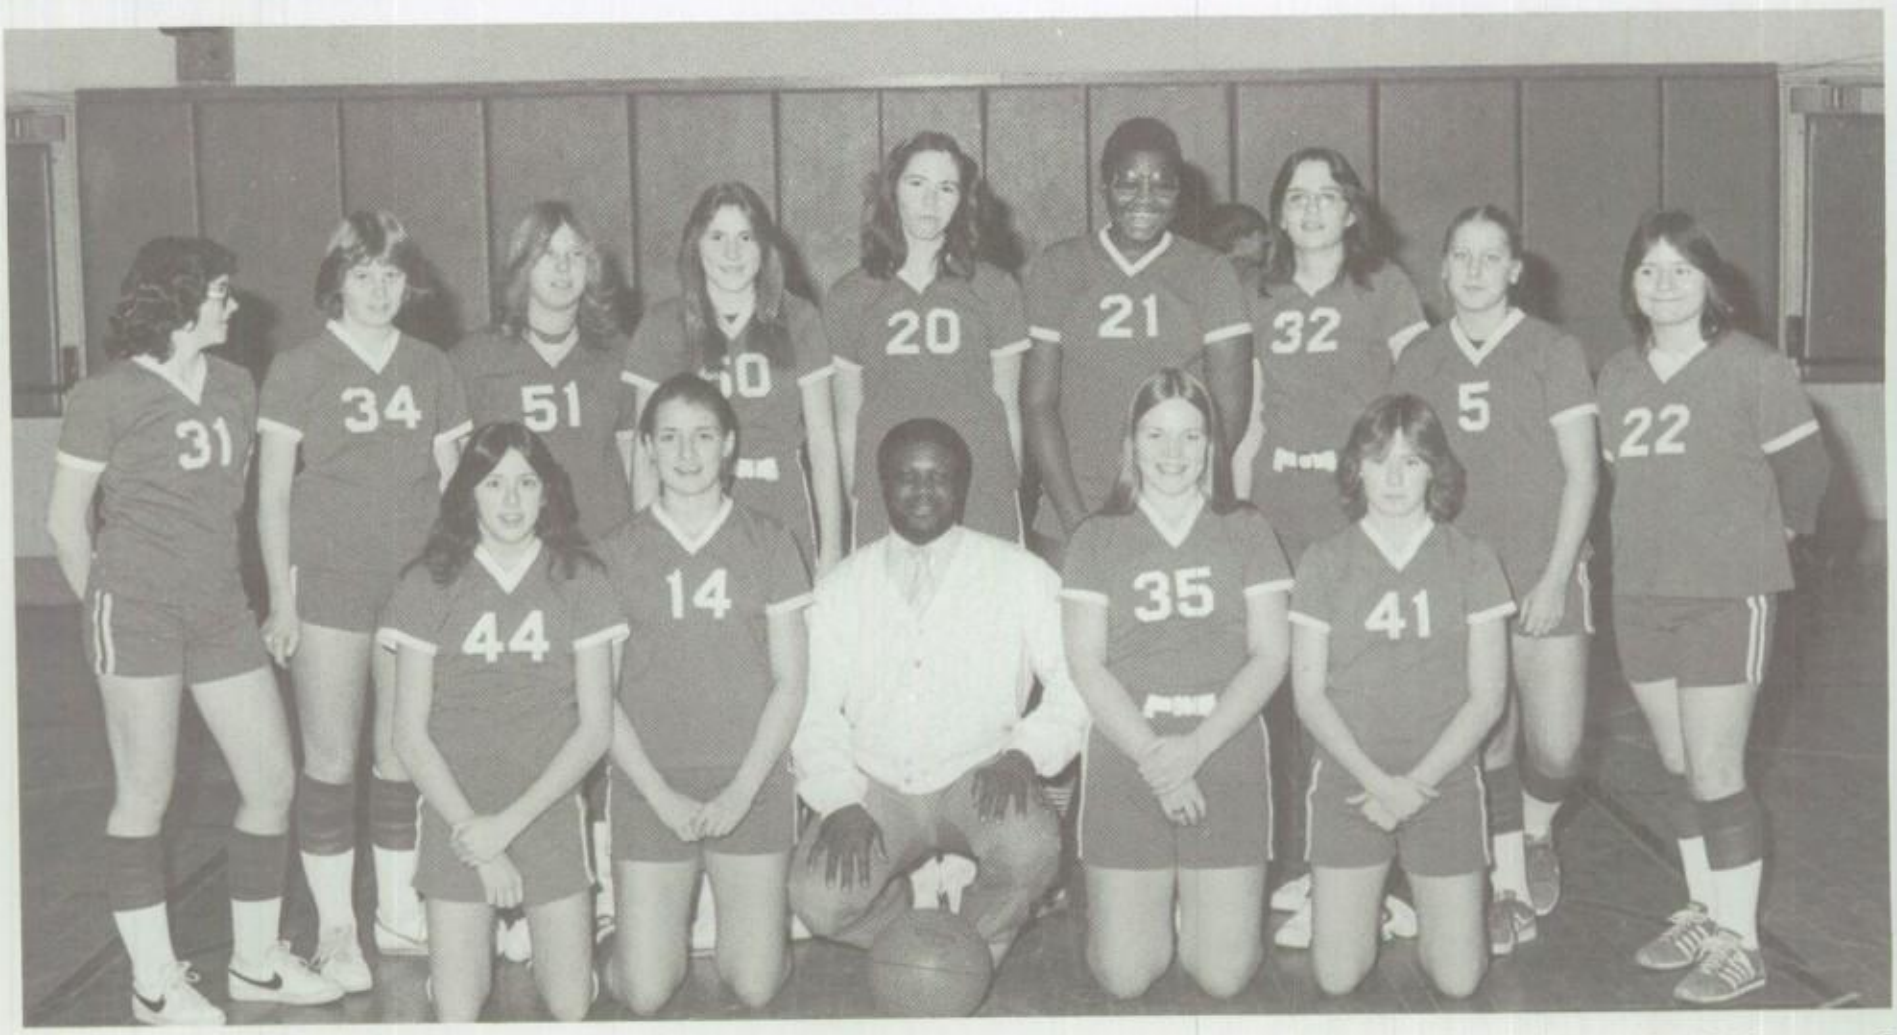
JUNIOR VARSITY: Miss Jones, D. Bovair, B. Conklin, S. Kusinerz, L. Elder, S. Spellman, P. Wallace, C. Healy, T. Clough, D. Abare, N. Lant

VARSITY: P. Dowe, N. Lant, T. Clough, K. Ross, D. Nichols, C. Sassone, K. Ross. (Front Row) K. Petteys, M. Donohue, J. Potter, C. Healy, D. Gorrie, Coach Springer.

GIRL'S BASKETBALL

Shoot . . . Dribble . . . Bounce . . . Pass . . . Shoot---SCORE South High's Girl's Basketball team was a formitable component of the Foothills Council. With their marvelous teamwork and consistent effort, the team finished the season with an impressive record. With many varsity members returning, Coach Springer looks forward to an even better season next year.





JUNIOR VARSITY: L. Armstrong, J. Perry, C. Hall, H. Washburn, L. Dufour, L. White, T. Miller, D. Bovair, T. Strong. (Front Row) L. Corcoran, C. Healy, Coach Steans, M. Washburn, C. Corcoran

Morse, B. Randall, Daniels, D. Jones, S. Vetch, S. Fish, J. Trembley, Coach Coley.

The *Boy's and Girl's Track Teams* had an exciting 1979 season. Several school records were broken showing the continuing progress the teams are having. In the Granville Invitational our girl's team broke a record by placing third while the boy's team placed second. Several members of the teams placed records in individual events. Records set by the girls include the mile run by Amy Morin, the 330 hurdles by Vickie Teresko, and the 400 relay by Nancy Finch, Kathy Kennedy, Bonnie Morrison, and Vickie Teresko. Records set by the boys include the half mile run by Chris Butterfield, Tim Carota in the discus, and Brian Daniels in the shot put. Both teams have showed great potential throughout the year and we expect them to do well in the upcoming year as well.

Row 1: S. Hoag, D. Coons, C. Healy, P. Donahue, H. Vittengl, S. Langlois, N. Finch, D. DiBattista, T. Bouchard, A. Morin. Row 2: P. Smith. L. Sweet, J. Rosato, D. Dankleman, C. Pagan, M. Bastian, K. IMANUEL,

DON'T FORGET DEUTSCH KLASSE with Frau Fish. Have a hellified summer and keep in touch. Hope to see

The 1979-80 version of the varsity wrestling team got off to a mediocre start, which was no indication of its true potential. The team achieved its highest pinnacle of success with an outstanding showing at an always tough Peru Tournament. The team spirled upward in the always sensational Foothills Council. Considered by many to be the dark horse team of the council, the 1980 wrestlers were a team who progressed every time South High went on the mat. Coach Harland is very optimistic about next years team. But is sorry for the loss of captains Chris Butterfield and Brian Danials. Butterfield along with Mike Steele, and Bob Rayno had excellent seasons. Danials, Tim Stewart, and injured Mark Alden boasted continued improvement.

J. Sipowicz, P. Dufford, M. Steele, B. Cook, T. D'Angelo, K. Vance

Led by veteran coach, Bill Gough, the *South High Bulldogs* began a productive season. Utilizing seniors Bryon Cook, Tim D'Angelo, Paul Dufford, John Sipowicz, Mike Steele, and Keith Vance, the Bulldogs won their preseason starts. With Keith Vance and southpaw, John Sipowicz, holding down the pitching plate and season veteran, Mike Steele behind the plate, Gough's defensive foundation was set. Talented Paul Dufford, anchoring down the centerfield position, and Tim D'Angelo and Bryon Cook playing second and shortstop respectively, made the Bulldogs defense flawless. Although the Bulldog's record was less than 500, the prospects for the 1980 season are promising.

Well, I really don't believe that it's almost over. It's really going to miss you! I'm glad that we become such good friends. You are one of the nicest, along with biggest, and squirrelest, people that I know.

But, I know you're not too bad, because your taste in men is pretty good!!! (You know what I mean too!) I know we've had lots of good times together, and I'll surely remember all of them! How could I possibly forget? Anyways,

Congratulations Seniors

best of luck to you always. I'll be around here for a while, so if I can hope we keep in touch - even after (if) I do go away! We can try, okay!

June 6, 1980

Dearest Cindy,

I very rarely offer advice, and then only to those who are close enough to me to be able to accept it. My advice is "ENJOY YOUR SENIOR YEAR TO ITS FULLEST!!" What else can I say? Your senior year is the best, so enjoy. I'll never forget the great times and talks we've shared. I decided to write in this space for two reasons: No Classic Cable add; and I've also given this establishment plenty of my hard-earned money. I wanted to tell you, in case you never realized it, you mean a lot to me, and I'm really glad I can say I have a friend who is always able to put a smile on my face. Somehow you always manage to do it. I hope you make it down to New Rochelle next year to visit me. If not, I will still remember the great friend I have in you. Take care, my friend, and I wish you happiness always.

Love,
Debbie

Cindy,
Well, another year has passed us by, and one more left. WOW! It's hard to believe. This summer is gonna be great. We all are going to have to go up to Lake George & raise "holy shhhit" (Mike's way). You & I have gone through alot. A few arguments & laughs, but it turned out for the best. Each year our friendship grows. And I hope we can always be friends. One thing bugs me... just control your snide remarks first thing in the morning (just kidding). Never forget all those boring Social shit class with "She-dink". Just think, if we really study for that stupid regents... we may even "profit" from it!
It's weird. Each year I've known you, our surroundings have changed. We've come all the way back from 6th grade & all our kiddy jokes on each

What shall I start with first, Cindy? We have experienced so much together over this past year.. We have had the very best of times and unfortunately there was a "lost of touch" phase which I now begin to realize how badly I missed you. It was hell, Cindy.

It seems whenever we're together we enjoy ourselves so much that it's hard to believe. We laugh together and we even cry together, not on the outside, but I really believe we have felt pain together even when we're happy (or maybe we were just pretending to be happy). Yes, Cindy - I have felt hurt and I'm glad you were there with me.

I must agree that I can see right through you and I admit that I have been able to pick apart all of the hurt that you were feeling. Maybe because you're so special to me that I am capable of this "power," whereas I haven't been able to do this with anyone else. And from here on - if you ever need to discuss something, I hope I am the first person you'll come to (or at least let me be up there with Miss Cutler) because a problem of yours is a problem of mine, Cindy. I am as much a part of you as you are yourself and I pray that will never change.

Paris Munich, Tori (who is a little hard to understand but I love her company and she's really sweet) Sonnen, Kris - Rog - Corky - Florence - Chrissy - Cackle (Dauleene), ("Hi Mom" "Hig...!") - These "quotes" have been included in the most enjoyable days of my life

But, most importantly - you, Cindy are most important in my life. I don't honestly know where I'd be without you. I also feel that I'll never lose you. Am I right? Because you won't lose me, dear, for anything.

Here start's our second summer. I bet it will twice as good as the first. Let's look forward to more enjoyable times - I'm getting excited already.

See you later at Margaret's.

Cindy - you are everything to me. Thank you.
